## *Puppy Request*

Please fill out each question/request to the best of your abilities and send it back to us. This form will help us learn more about our dog's possible future home and lifestyle.

### **Personal Information-**

Name: \_\_\_\_\_

Address: \_\_\_\_\_

City: \_\_\_\_\_ State: \_\_\_\_\_ Zip Code: \_\_\_\_\_

Phone Number: \_\_\_\_\_ Alt. Phone Number: \_\_\_\_\_

E-mail: \_\_\_\_\_

Why do you want to purchase a Llewelin Setter? \_\_\_\_\_

How did you find us? \_\_\_\_\_

What reasons should make you an approved candidate for an RLS dog? \_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

### **Details on Requested Puppy-**

Sire: \_\_\_\_\_ Dam: \_\_\_\_\_

Preferred Gender: M F Date Litter Due/Whelped: \_\_\_\_\_

Preferred Colors (optional): \_\_\_\_\_

What do you plan to do with your Llewelin? Breeding Pet/Companion Hunting  
Field Trials Show Other: \_\_\_\_\_

If you selected Field Trials, what type of trials/organization do you plan on participating in? \_\_\_\_\_

### **Hunting Background-**

Do you plan to use your Llewelin Setter for hunting? Yes No

What upland birds do you hunt? Pheasant Quail Dove Hungarian Partridge Grouse

Woodcock Wild Turkey Chukar Other: (Please Specify) \_\_\_\_\_

About how many times do you hunt per season? 1-10 11-20 21-30 31-40 41-50 50+

Are you a member of any hunt/bird dog training clubs? Yes No If yes, please specify: \_\_\_\_\_

### **Dog's Lifestyle-**

What kind of facilities do you have for shelter and exercise?

Fenced Yard Doghouse Kennel/Dog Run

Fenced Field/Acreage House Other: (Please Specify) \_\_\_\_\_

What is the approximate size of your property/lot? (i.e. 2 acres or 150'x75') \_\_\_\_\_

Will the dog be allowed to spend time inside your house? Yes No

How will the dog be contained when you are absent? \_\_\_\_\_

How will the dog get its main form of exercise/day? \_\_\_\_\_

Do you own any other dogs? Yes No

Have you any sort of experience with owning and training setters or bird dogs? Yes No

Please briefly describe the concepts, methods, or theories that you base your dog training on: \_\_\_\_\_

*Raising Quality Setters in the Beautiful Northwest*

Do you have any children in your home? Yes      No

What other pets do you own? \_\_\_\_\_

What brand and kind of dog food do you plan to feed? \_\_\_\_\_

Who is your veterinarian? \_\_\_\_\_

What veterinary care do your pets receive? \_\_\_\_\_

What vaccinations will your puppy/dog receive? \_\_\_\_\_

Do you plan to spay or neuter your dog? Yes      No

Please list at least one reference, with his or her contact information: \_\_\_\_\_

## **Under the Following Conditions:**

If you are interested in purchasing a puppy from Rock Llewelin Setters, you must first complete and send this Puppy Request Form, which will provide us information about your lifestyle and that which you may provide for the dog. Someone will contact you after the receipt of the form. If approved, you will be put on the Waiting List. Because of our great concern for each dog we raise, we reserve the right to refuse a sale to anyone.

We'll let everyone know when the pregnancy is confirmed; at that time we will start taking non-refundable deposits. When sending your deposit, you'll need to specify sex of the pup preferred; we will not reserve according to color. The Waiting List order will determine the picking order. If we don't have the specified sex of the pup that you want, you may take the other, wait for the next litter, or get a refund on your deposit. Note, this is the only time we will provide a refund of deposit, which is otherwise non-refundable. Also, while it is ultimately up to you to choose a pup on your own, since we are familiar with the pups, we will suggest those in the litter which would be most compatible. Lastly, if you are on the Waiting List but we haven't received your deposit by the time the puppies are 35 days old, you will be notified/reminded. If we still haven't received it by day 42, then the puppy picking process will proceed and you will lose your place/be moved to the last position on the list. No puppies will be reserved without a deposit.

Pups will be evaluated, priced, and chosen no earlier than six weeks of age. We'll let you know when it is your pick. We encourage you to schedule a visit to meet the pups after they've had their first vaccination. Ideally, everyone will decide on their pup between six and eight weeks of age, so that everything is in order when the pups are ready to be transferred at nine weeks.

Buyer must be the person taking care of the dog; RLS will not sell puppies to third parties or as surprises. Should a person wish to buy a pup as a gift, RLS requires the Puppy Request Form to be completed and the Bill of Sale to be signed by the person receiving the pup.

As a buyer, you will receive a signed copy of the Bill of Sale, Pedigree, FDSB registration papers, Health Record, Nutrition Information, Spay and Neuter Information, Recommendations, and Familiar Commands and Schedule. You should be familiar with and willing to comply with the conditions stated on the Bill of Sale. Puppies will be fully weaned by nine weeks and will be expected

*Raising Quality Setters in the Beautiful Northwest*

to go to their new homes around nine weeks old. Additional late-pickup charges may be applied to the purchase price, if the puppy remains at RLS after ten weeks of age to cover the cost of feeding, vet expenses, and training. Payment in full (reserving-deposit deducted) is required before Bill of Sale is signed and puppy is released from RLS's ownership.

We would prefer to meet everyone who takes home one of our pups and highly recommend our buyers make the drive/flight here to pick up their pup. If this is not a possibility, we can arrange to ship the pup by air if the distance/flight seems reasonable for a young pup. Shipping expenses are the buyers' responsibility, which may be applied to the purchase price of the pup.

The breeders' liability is limited to, and in no event shall exceed the purchase price of the dog involved. RLS advises that the purchaser have the puppy examined by his or her own veterinarian within three days of the delivery and that the purchaser sends a copy of the examination/record to breeder within a period of one week of examination. If a problem is found, during the recommended post-purchase vet exam that resulted directly because of the breeder, the buyer should contact breeder within 24 hours and possible solutions may be discussed. Should the buyer neglect the examination within the specified time period, RLS will accept no liability for any health concerns, as it will be the buyer's responsibility to maintain the good health of the pup, of which it was sold. The dog will be guaranteed to be free from hereditary hip/joint problems until the age of three years.

The Llewelin may not be sold or given away without expressed written and signed agreement from the breeder. If there is a time when the dog must change homes, the breeder has prior purchase rights at that time for a period of two weeks. The selling of the dog to a third party is only allowable after prior consultation with RLS, so that it may be sure that the dog will be living in an acceptable home throughout its life.

The dog may not be bred before the age of two years old. Buyer will also be expected to take his dog to receive veterinary care, when appropriate. Appropriate times may include emergencies, vaccinations, and other health care issues. RLS ensures that all pups exhibit natural hunting abilities by the time of the sale; however, it is the buyer's responsibility to continue the dog's training.

RLS encourages buyers to stay in touch, so that help may be provided if necessary.

Please note that, as the breeders, RLS maintains first pick of the litter, if desired.

## **Purchase Price\*-**

\$700 for a B/H/P Quality Female

\$650 for a B/H/P Quality Male

\$600 for a H/P Quality Female

\$600 for a H/P Quality Male

\*(B= Breeding; H= Hunting; P= Pet)

\*Prices are subject to change. Prices vary due to RLS judged quality, which will be decided no earlier than six weeks of age. RLS can make no guarantee that said pups will mature into breeding quality dogs, understandably, but the BHP label at six-nine weeks old will be given to those pups that lack the immediate undesired traits as far as RLS can determine. Prices may also vary due to age and training.

*Raising Quality Setters in the Beautiful Northwest*

For \$50 dollars our vet can insert a microchip under the skin for permanent identification (excludes the small fee to register the ID number). We strongly recommend this procedure and will pay for half of the implanting procedure, but we will only schedule it if the prospective owner wishes. If he/she opts not to have this done while the pup is still at RLS, he/she should seriously consider it when the pup is taken in for later vaccinations. This is an invaluable method of identification, as all vets and shelters have universal readers that can identify each dog and return it to the owners.

If the buyer is planning to have to pup shipped to him/her, RLS will need to be contacted ahead of time, so that it can make the plans for shipping. Some basic expenses for shipping include handling, shipping carriers, airfare, and veterinary-approved health certificates. Buyer will be responsible for shipping expenses and must pay RLS for these expenses, which must be received prior to shipping.

RLS realizes that not all dogs should be bred. RLS recommends Hunting and Pet Quality dogs to be spayed and neutered at an appropriate age, for which RLS deducts a portion of the purchase price, and that extra caution and knowledge be in place to prevent unwanted pregnancies in the meantime. (See our listed articles on the subject.)

If a pup is sold as BHP quality, RLS expects that the owner uses his or her best judgment when considering breeding, in regards to the mature quality of the dog in hunting, temperament, conformation, and health; we would especially like such individuals to stay in contact so that help may be provided when needed.

Although RLS strives to breed healthy puppies, there are always possibilities of congenital or genetic defects. If RLS is selling a puppy that has a known congenital or genetic defect, the buyer will be informed of it. If it needs treatment and is in RLS's possession when it is old enough to receive it, RLS may the procedure at no further addition or deduction for the buyer; however, buyer may be paying for the late-pickup charges.

Additional late-pickup charges may be applied to the purchase price, if the puppy remains at RLS after ten weeks of age to cover the cost of feeding, vet expenses, and training. LATE-PICKUP CHARGES: \$20 per week until sixteen weeks of age. Older pups' prices will be determined at necessary time according to training.
